

### Who are we , how did we get here? Our Story!

World Tool and Supply Inc., founded in 2017 by David Aronson.

David started his career in the tool industry in 1977 - 1996 with Miami Discount Tool & Hardware located in Miami, FL. He began as a stock person and by age 21, became the Operations Manager. He resigned in Sept 1996 to start his own company.

In 1996 - 2001, started Best Industrial Tool & Supply located in Broward County.

2001 - 2014, he merged his company with AAA Tool & Supply. He ran his own division of the company selling to clients locally as well as Export. He resigned in 2014.

2014 - 2017, David started a new business, partnering with International Tool. Operated his business. In August 2017, International Tool was sold. He left and started World Tool and Supply

2017 - current: World Tool and Supply Inc.  
In October 2021, World Tool moved to open a New Tool & Supply Store in Pompano Beach, FL. serving the commercial and construction trades..

With over 45 years in the industry and extensive knowledge in the business allows World Tool and Supply to establish business relations with large companies, supplying them a very diverse range of products related to the different trades.

World Tool and Supply might be the New Tool & Supply Store on the block, but we are far from "NEW".

With over 45 years' experience in the business, we are here to make sure you "Get the Right Tools for the Job" and do our best to save
